Full moon walk

Destination: Iguazú

Description

An unforgettable experience: the Waterfalls at night

We invite you to live a unique experience that you can only live in Iguazu. It is a night excursion that begins with an explanatory talk by the guides and park rangers.

Jangadero 132 CP (3370) Puerto Iguazú, Misiones - Argentina.
0054 (03757) 420390 / 420214
info@iemanjaturismo.com

Then, accompanied by the guide, the group goes on the Ecological Train of the Forest until the last station. The light of the moon illuminates the path and when descending from the Train you walk in the moonlight to the balcony of Devil's Throat.

Departures

Five evenings per month, subject to weather conditions, all year round.

Jangadero 132 CP (3370) Puerto Iguazú,
