Ice Bar

Destination: Iguazú

Description

Attractive for both tourists and residents, this original bar is a place suitable for the fun of the whole family: children, youth and adults can enjoy the magic of an ideal spot to live a unique and very fun experience. Everything inside the Icebar is made of ice: walls, bar, glasses, seats and sculptures that represent the typical fauna of the region. Sculptors from all corners of the country leave their mark on the different works that complete the incredible scenery.
